Cloche Side crown one sheets

How to make

- (1) Serge/overlock (or zigzag stitch) the edges of the "Crown side," sew them together, and make it into a loop.
- (2) Sew the "Brim" pieces together and make them into loops (for both pieces).
- (3) Press the seam allowances open with an iron.
- (4) Sew the "Top crown" to the "Crown side," then finish the seam allowances with serging (zigzag stitch).
- (5) Sew the two "Brim" pieces together around the outer edge, trim the seam allowance leaving about 2 mm, and turn it inside out.
- (6) Sew the "Crown side" and the "Brim" together, finish the seam allowance with serging (zigzag stitch), and complete the hat.
