Flophat six sheets Lining Fabric six sheets

How to make

Sorry if I haven't made myself understood (well) in English. You know I'm poor at English.

1. Seam together, Seam opening stitch. An excess seam is cut off
2. Sew another piece and make it three pieces
3. Make one more thing the same
4. Lining Fabric also performs the same process
5. Make a french seam and turn the inside out and apply a stitch
