How to make

Sorry if I haven't made myself understood (well) in English. You know I'm poor at English.

1. To make "SIDE" easy to sew, prepare the shape with an iron first
2. Fold the center fold line of "SIDE" and shape it with an iron so that it is easy to sew
3. Sew the sides of "SIDE" and break the seam allowance with an iron
4. Fold the center line of "TOP" with iron
5. Sew the sandwich "TOP" between "SIDE"
6. Finally finish the ironing lightly on the folding line
