How to make

Sorry if I haven't made myself understood (well) in English. You know I'm poor at English.

1. iron on the interfacing (heavy-weight) to "top" "side" "brim"
 2. "side" is sew up and loop
 3. "top" and "side" sew pieces
 4. "brim" is sew up and loop
- The surface and the back are same.
5. two "brims" are sewn up by a dotted line.
 6. In a "brim", bias (A wire is put in.)
 7. "side" "brim" is sewn up.
 8. Align the sewing position and sew.
